Directions for use

Adults: take 2 capsules daily with plenty of water. Do not exceed the recommended daily serving. One pack provides 30 daily servings.

Storage

Store in a dry place at 10–25 °C, in a tightly closed container. Keep away from direct sunlight. Keep out of reach of young children.

Warnings before use

• Food supplements should not be used as a substitute for a varied diet. A varied, balanced diet and a healthy lifestyle are important.

• Not suitable for pregnant or breastfeeding women. The recommended serving is intended for adults.

• If you have or have had medical conditions, or take medication, consult your doctor before use.

• Stop taking the product if you experience adverse reactions, such as sleep disturbances, nervousness, palpitations, digestive discomfort or fatigue.

Information about health claims

Certain health claims relating to botanical substances have “on-hold” status in the EU: their assessment has not yet been completed. This status does not mean that the claimed effect has been authorised. This description presents the composition without attributing unverified health effects to the product.
